AMENDMENT TO AMERICAN AIRLINES FEE AGREEMENT

This fee agreement amendment applies to the following sections in the previous fee agreement dated _____ between _____ (“Client”) and Mahaffey Law Group, PC. It amends the following paragraphs 3(b) that states:

Client has paid to Attorneys a \$500 (Five Hundred Dollars) retainer to be applied towards attorneys’ fees and costs incurred on Client’s behalf. For the first three months Client must make monthly payments of \$500 a month. There after Attorneys will discuss with Clients if sufficient group funds have been raised and will reserve discretion to requests more monthly contributions equally from each client if needed, but under no circumstances will the request be for more than \$500 a month, and client’s financial hardship, if applicable, will be taken into consideration.

That paragraph is superseded in its entirety and the parties hereby agree as follows:

Client has paid to Attorneys a \$500 (Five Hundred Dollars) retainer to be applied towards attorneys’ fees and costs incurred on Client’s behalf. Attorney and Client agree that for all fees and costs incurred, Client will not be liable for more than \$1500.00 for combined fees and costs, and attorney agrees that Client may make the two additional \$500 a month payments on a monthly basis starting the first month after client has made their initial \$500 deposit. Attorney agrees that under no circumstances will the out-of-pocket cost to any American Airline Employee be more than \$1500 paid over 3 months, and that in the event that there are charges or fees assessed to client above their allocated \$1500, Attorney will be responsible for any other charges that would otherwise be allocated or assessed to Client, including any costs awarded arising out of this action. All fees and costs above \$1500 that would

otherwise be allocated to client, calculated by the number of clients divided into the total bills, will be paid by other client deposits, donation sources, or by attorney write offs of bills incurred. Each client's total risk is \$1500 for their participation in this matter.
